8HG English- Spellings and a written task every Wednesday.

Music- Homework will be issued when required. They will often be learning homeworks or composition homeworks.

IT- Homeworks will be given occasionally at the start or end of a topic.

Maths- Homeworks may include completing class work, formal homeworks, problem solving tasks, research or revision for tests.

Geography- Formal homeworks, eg research project. Assessment pieces can be given up to three weeks to complete. Shorter pieces, e.g. worksheets, spelling tests, title pages, glossary tests. Pupils would be given a week to complete this.

Home Economics- Pupils will have a homework most weeks and will vary in format and tasks may include:

- Complete classwork
- Learning information
- Research
- Bringing equipment in for class.

History- Term 1

4 Formal Home works plus additional home works and tests when and where appropriate.

Technology- Homeworks are given on an adhoc basis when required.

Each project will have an assessment at the end and there will be times when revision associated with the project is required for a formal test during class time.
